I am thankful that you came to personally meet me,
Toubee-sama
I apologize for coming without notice
However,

カチャ!!
I believe that this welcome is a bit too much
I'll get right to the point
Don't involve our people any more
What do you mean?
ニヤ
ニヤ
You scum.

There have been many wounded in the group lately
I know everything
ヒソ
They try to hide it, but it's obvious I'll notice
Right, Yuuma?
On what basis?
We don't know anything
You threatened them, didn't you?

!
I...!
I'm sorry,
I thought Yuusei had taken my family hostage, and hurt boss...!!
Hey what the
Booooss!!
You bastard!
Buosz, I'b sowwy!!
You finally told me.

Boss.
Tch
Useless
dimwit
Can you
stop now?
If I die,
everything
should calm
down.
!!
Boss!?
What-
That's
right
If Toubee-sama
dies, the top
will have to
search for a
new head.

Yuuma.
You do it
Please swear to me that you will stop terrorizing our people if Yuuma is chosen to be the next head
Naturally.
Toubee-sama

But boss doesn't have to die, does she!?
It appears as if Toubee-sama is stepping down from the boss seat of her own will after all!
This is a day of celebration!
The top won't accept it if I am alive.
That's not...!
That means that this revolt will stay a secret.
The kind Toubee-sama will disappear so that I won't end up in bad light
Shut up, small fry!!
Boss! You can't!!

Aim well, low-life overbite.
I'm over here.
How dare you, girl
Booooooss!!

Wha!?

You're...
Kumou's shinobi!?
Why is he here?
Tch.
Follow them!!!

Father...
Who are they!?
Iga shinobi.
I joined forces with them just in case
Iga
Hunt them!!
Don't let her get away!!

Guh

Kuh!
Hey hey, what's wrong!? You're getting breathless!
Moving around so restlessly
poke
.....
yaaaay ♪

We're always serious you know?
Take this seriously!!!
If this had been the battle field, you would have been dead.
We win.
moreover
Their sword style and stance is pure nonsensical
I can't read their movements.
!!

I have never fought anyone that pisses me off this much...!!
ピィィ
Oh
The game's over now
Eh!?
Oi!
Bye~ Sakicchan ♡
Wait...!

!
Nii-san, you're the twins!
The boss was taken away by the Kumou's shinobi
!
By Kiheita-dono!?
Muh...?
Did anyone pass just now!?
I met you at a good opportunity Please help me

They kidnapped Toubee!?
Were they not on Yuusei's side!?
What are they thinking?
I'm following the twins right now. I'll lend you a hand.
So you know them after all.
They're playing.
They hold a grudge toward Oumi...
Playing!?
The twins hail from purgatory
Hated for being taboo, they forgive no one who cause them harm

It's impossible Not when they're going this far
....Can't you reconcile?
If something happens to the boss,
beheading them won't be enough punishment
You are one unclear man.
While I don't know what you think, it is hard to trust you.
.....
I heard that you are Yuusei's son but
do you want to protect Toubee?

If I tell you, will you trust me?
If there is something that you wish to say, then say it
You are too shady.
haha
Nii-san is very blunt
You're the type of person who says what he thinks, I suppose.
There are some things that won't be understood unless you put them into words
...
That's true.

Yuuma-nichan!!
Me and Toubee-sama are cousins you see, and we were together ever since we were small
However
Father is dangerous
Some day, he will likely turn his fangs against Miyabi

Toubee-sama is the head, right?
Yuuma-niichan
Boss.....
It will cause me trouble if you come to me when people are not looking, like you used to.
It was dangerous by my side as well, with uncle's supervisors around.
.....Yes.
No matter what, I don't want to make you sad.
It's not that I want you to make that face.
Miyabi
Miyabi
Aah, Miyabi

I don't want to see the people that I know fall apart
Even more so if they are family
Boss—
Don't go against Yuuse!-dono
Just promise me one thing
This is an order, Yuuma
If that is your wish
I will do anything but be by your side.

It's enough if she is able to laugh.
Even if it's in a place where I am not.
I thought it was selfish.
That Miyabi was safe that way.
However
Before I knew it, she had shouldered all the burdens all on her own.
If that Shinobi had not appeared
It terrified me.

I am sure I would have cut off my father's head.
It's just like nii-san said.
We needed more words

We'll catch up soon.
It's because I want to do that that I'm following the twins
If so, you need to talk to her directly
!
Nii-san, did you know their location right from the start!?
It's not like me to keep on getting done in

Let me down!
Let me down, you fool!!

Toubee-dono
Purgatory bastards.
Oh no~ you don't have to be so angry
What is your aim!? Didn't you follow Yuusei!?

Don't mock Kunitomo...
Kunitomo really only is filled with idiots.
There are only self-sacrificing brats, greedy old men, and small-fry who shares one brain cell
We're not anyone's ally
Do you think that Kunitomo will settle down if you die? You sure are one hell of a naive boss
As if you know!!
Shut up...
You want to be happy with everyone?
How laughable!
As if you know anything about us!!

That's enough.
!!?

Yuuma...
We finally caught up to you.
Return boss to us.
!!
I planted a trick on your clothes.
How did you find us?
ザッ
Since when...
We arrived here by following that.
The nuts fall from the bag one way if you walk, and they fall with a greated distance if you run.
I could easily understand your movements

I win.
Now,
Let's go home, boss.

Are you going to trust him?
!
He's Yuusei's son
You don't know when he will betray you
His bond with Toubee might all be a lie and he might be tricking you
There is no way you can trust a stranger

I will trust those that I have decided to trust.
Go.

Thank you.
I'm your opponent
Tch.
Kiheita!
How unfortunate

He's fast.

The two of you are also letting your guard down too much
Getting in the way again...

Ishida Sakichi
You will regret this

Yuuma I'm
I'm glad
Are you hurt anywhere?
I'm fine.
That's enough!

Do you intend to disobey me?
Father
Yuuma, bring that girl to me.
She so kindly says she's going to die.

Even against these numbers?

It seems father allied with them.
Iga ninja.
They're....

I'm the only one who has to die
Are you still ?
You should know
We need a boss
Don't worry. It's about time they return.
What!?

Booooss!!
Stand tall, Kunitomo Toubee.
You're going to protect it, right?
Both them and Oumi
I'm sure they returned in such a hurry because of your charm as the head
Don't run away
You guys
I lit a signal fire

At ready!
Is this a joke?
Don't harm the Overbite
The target are the shinobi
Heh?

Wait, this isn't what we agreed!
I'm sorry, Yuusei-dono
It seems as if I am the only one who can protect the Kunitomo.

The one who becomes the Orochi's vessel.
What points that person out is the Dokuro-Hoozuki.
The Orochi's vessel...
There is something like that?
